

Certificate of Participation

This is to certify that

Joseph Penlap

attended the *European Conference on Mathematical and Theoretical Biology 2026 (ECMTB'26)*, organised jointly by the European Society for Mathematical and Theoretical Biology (ESMTB) and the Society for Mathematical Biology (SMB).

The conference was held at the University of Graz, Graz, Austria, from 13 to 17 July 2026.

This certificate is awarded in recognition of participation in the scientific programme and contributions to the exchange of ideas in theoretical and mathematical biology.

Contributions and committee membership

- Speaker – Contributed talk (CT381): *Plant tolerance is explained by resource-based plant-nematode interactions*

Klemens Fellner, Conference Chair

on behalf of the local organisers of the
14th European Conference on Mathematical and Theoretical Biology 2026
